

North Korea has just detonated a second nuclear weapon. No, wait! The Bully George Administration doesn't have enough intelligence to determine whether North Korea detonated a nuclear bomb.

We have reacted swiftly to the North Korean nuclear test. As we speak the U.S.S. Eisenhower is heading for the Persian Gulf and is preparing to make a retaliatory strike on Iran.

Nancy, Iran is in the Middle East. North Korea is in the Far East. Would you like to see a map?

Satan's coming! Everyone hide.

Venezuela

I hope no one back home finds out there are only two of us protesting Hugo.

Down with Chavez
Up with oil
ministers.

Install
Pinochet

Oh no! It's the Devil! Run!

Lying Fox is playing our protest up so that no one will notice that any coup is our doing.

Do you get the feeling we're not liked?

Go home evil one. We don't want your kind here.

Picky, picky. What's the difference?
