

The Iraqis want to govern themselves. What if they kick our puppet government out of their Parliament Building?

What do you think: TNT or nitro?

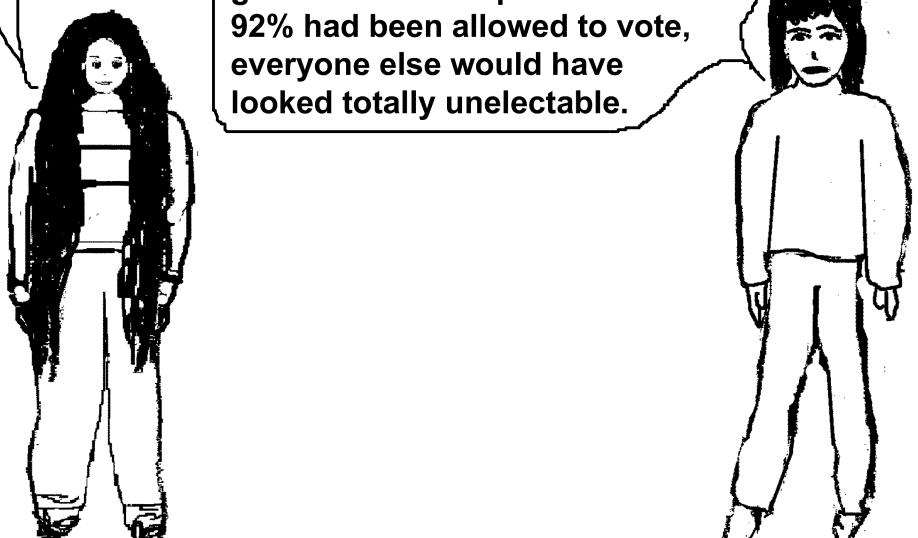

Why does everyone assume I'm lying about everything? Just because everything I've ever said was a lie, doesn't mean that everything I say in the future will be a lie.

In the MoveOn poll, Dennis beat out Hillary, the supposed frontrunner.

And he did that after most of his supporters resigned from MoveOn over MoveOn's support of the appropriations bill. Only about 8% of his supporters who watched the debate got to vote in the poll. If the other 92% had been allowed to vote, everyone else would have looked totally unelectable.
