

How dare New Jersey abolish the death penalty! California legislators might copy then and then where would I be? I'm the terminator. I am supposed to terminate.

DES MOINES IOWA REGISTER

Read inside to see whom we have declared the winner of the January 3rd Iowa Caucuses. Just because they don't take place until next month, doesn't mean we can't crown the winner now.

My record is clear. I support strip-searching of children and deprivation of any rights of decency to young Americans. If I get tired of being Speaker, will you make me an ambassador?

It is my policy and my father's policy to look for the worst child abusers and give them ambassadorships. What country would you like to vacation in?
