

We are really trying to beat Barack. You do believe me, right?

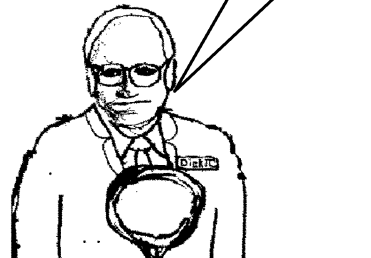

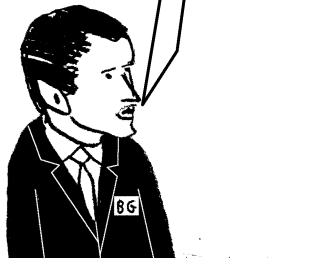

Of course, we are trying to defeat Barack. Have we ever lied to you?

We're just not smart enough to win this election. Barack is just too bad for us to beat.

Right, Barack is a bad, bad Democrat and we hate him.

Quick, while nobody is listening. Do you think we've pulled the polyester over their eyes?

Of course. We fooled the Democrats in 2000, 2004 and now. They're too stupid to figure it out in time.

Yeah! They were dumb enough to pick me for House leader.
